

# Australian Advisory Board on Autism

*The national  
peak body for  
the not-for-profit  
sector serving  
the autistic  
and autism  
community*

## WHO WE ARE

The national peak body for the not-for-profit sector serving the autistic and autism community

## OUR PURPOSE

To ensure autistic people and their families receive the evidence informed services they deserve

## OUR VISION

Autistic people and their families lead enriched and valued lives

## OUR CULTURAL QUALITIES

- Commitment to excellence
- Deep evidence-based knowledge
- Respect for our communities
- Collaborating to achieve impact
- Empowering those without a powerful voice
- Operating with integrity at all times

## OUR GOALS

- 1 To work to influence systemic excellence in service provision to autistic people and their families
- 2 To promote understanding and appreciation across the community and at all levels of government of the issues within the autistic community
- 3 To drive evidence-based decision making by contributing to and promoting research
- 4 To actively collaborate with autistic people, their families and the community to increase our collective impact
